

Summer Menu

Welcome to our new Summer Menu

We understand that it is our responsibility to protect and improve the health and wellbeing of customers. Our nutritional team ensure that all of our school meals meet the Welsh Assembly's standards for healthy eating.

We are also dedicated to bringing healthy eating out of the dining room and bring food to life with our 'Fun into Food' education classes.

Where there is a requirement for a halal option, we will serve both halal and non-halal Meals

We cater for food allergies and intolerances and are fully compliant with the F.I.R. (Food Information Regulations) which came into force in December 2014. If your child has any dietary requirements, please do not hesitate to contact the Chartwells Team or your School for more information.

You can contact the Chartwells team on:
